World Food India 2017:

World Food India (WFI), a gateway to the Indian food economy and an opportunity to showcase, connect, and collaborate as also a global event to facilitate partnerships between Indian and international businesses and investors was organized by the Ministry of Food Processing Industries, Government of India in partnership with Confederation of Indian Industry (CII). WFI, a Global Event, a gateway to the Indian Food Economy to provide opportunity to showcase, connect, collaborate and facilitate partnership between In Land and International Investors was organised by the Ministry of Food Processing Industries, GoI in partnership with CII. WFI provided opportunities for both investment and trade in the food processing sector for leading Indian and International Companies. The WFI Exhibition and Conferences were held from 3rd – 5th November, 2017 at C – Hexagon Park and Vigyan Bhawan in New Delhi respectively. More than 20 countries and 26 states participated in the event.

The objectives of the event were:

- Understand the policy environment around Food Processing Sector.
- Identify Specific Opportunities through the B2G & G2G meetings.
- Exposure to shelf of specific projects for investment in Processing, Retail Marketing, Logistics & Integrated Cold Chains Etc.
- Exposure to strengths of India in pre-identified Food Processing Sub-Sectors.
- Exposure to FPOs’ / Progressive Farmers – Potential Suppliers.
- Exposure to opportunities in Food Retails and Logistics in India.
**Background:**

State Government has taken several policy initiatives to promote Agri & Food Processing Sector. As State has leading position in several Agri-products, Milk, Spices etc., commensurate processing capacity is must to minimize wastage. State Government has declared Food Processing and Dairy Sector as Thrust Sector under its flagship scheme ‘Rajasthan Investment Promotion Scheme’. Added incentives under RIPs is being provided to this sector.

To further boost processing capacity and to harness available potential Agricultural Sub-Group of Chief Minister’s Advisory Council has recommended for creation of separate Department of Food Processing Industries.

Ministry of Food Processing Industries, GoI also advised all the States to set up separate Food Processing Department as there is full fledge separate Food Processing Ministry in GoI. This will create much required synergy and better results can be achieved. Principal Secretary Agriculture also suggested that separate Food Processing Department may be created within MSME Department. Looking to recommendation of CMAC, necessary proposals for creation of separate department will be moved by MSME Department shortly.

**Preparations for the Event:-**

- In the meeting held on 18.07.2017 under chairmanship of Chief Secretary, it was decided that Rajasthan will participate as ‘Partner State’ in the event. Rs 25 Lakh as participation fee has been paid through State Exchequer.
• RIICO has paid Rs. 25 Lakhs for Furnishing of Pavilion and other expenditures.

• A Road Show to promote event was planned at Jaipur and MSME department had extensively prepared for show, but due to some unforeseen events, it was cancelled.

• Some initial hiccups occurred due to non-approval of tenders for construction and designing of Pavilion. FA BIP non cooperated and unsustainable objections were raised. Due to paucity of time, all this work was got done through CII. BIP vide its letter dated 17.10.2017 informed that they will not participate in the event. However, Principal Secretary MSME and other team members with continued efforts, well managed these hiccups and ultimately the event was a grand success. After persuasion, some officers of BIP participated in the event.

• All departments like Commissionerate of Industries, BIP, RIICO, Agriculture/ Horticulture/Animal Husbandry Departments, RCDF and other concerned Departments prepared well for the event and took care of smallest details.

**Participation of Rajasthan:-**

Rajasthan participated in the said event as ‘Partner State’. A delegation from the Government of Rajasthan led by Shri. Rajpal Singh Shekhawat, Hon’ble Industries Minister along with Dr. Subodh Agarwal, Principal Secretary (MSME), Shri. Kunji Lal Meena, Commissioner Industries and Shri. L. C. Jain, Additional Director & State Mission Director represented Rajasthan State in the said event. (A list of members of the delegation is at Annexure A.)
Rajasthan showcased its heritage culture through a 400 sq. mtrs. Pavilion. Government of Rajasthan facilitated the participation of the following prominent Food Processing Industries from the State at the Rajasthan Pavilion providing them the opportunity to display and branding their Products during the 3 day long exhibition:-

- Greentech Mega Food Park
- Emami Agro Tech
- Olitia Tea
- Vishal Papada (Papad Mal ji)
- Chokhi Dhani (Ready to Eat Foods)
- Bhikharam Chandmal
- Bidada Foods Pvt. Ltd. (Future Group)
- Kanha
- Rajendra Ursula Joshi
- K. S. Bio Foods (Mr. Kailash Choudhary)
- Animal Husbandry Department, State Government Department & Agencies

The Office of Commissioner Industries along with RIICO, BIP, Agriculture, Horticulture, Animal Husbandry Department and RCDF set up an exclusive stall in the Rajasthan Pavilion showcasing strength of State in the Food Processing, Agri & Dairy Sector, various policies and benefits available in Rajasthan as also to address the queries of the visitors. This has been well displayed through Films, Videos, Booklets and other Publications.
Some photographs of the Rajasthan pavilion are:
Day 1 – 3rd November, 2017:

The WFI was inaugurated by the Hon’ble Prime Minister on 3rd November, 2017. The Inaugural Session took place at Vigyan Bhawan, New Delhi. This was followed by the visit of Hon’ble Prime Minister to the exhibition at C – Hexagon, India Gate and parallel CEOs Roundtables and Plenary Sessions on India – “The preferred investment destination” and “One Nation, One Food Law; Enabling Regulatory Environment for Investment in the Food Sector B2B/B2G/ G2G” at Vigyan Bhawan.

B2G meetings with the Hon’ble Industries Minister and Principal Secretary MSME were held at Hall A, Vigyan Bhawan Annexe from 4:00 pm to 5:30 pm. Simultaneously, separate B2G meetings were also held with the Companies in a common hall at Vigyan Bhawan Annexe. The details of B2G meetings are at annexure C. The Officers of Commissionerate of Industries Department, Agriculture/ Horticulture/ Animal Husbandry Department, Bureau of Investment Promotion, RIICO, KPMG and CII were also present in the B2G meetings.

Day 2 – 4th November, 2017:

B2G meetings with the Hon’ble Industries Minister and Principal Secretary MSME were also held on 4th November, 2017 at the Rajasthan Pavilion, C- Hexagon, India Gate as also Vigyan Bhawan Annexe. The Officers of Commissionerate of Industries, Agriculture Department, Bureau of Investment Promotion, RIICO, KPMG and CII were also present in the B2G meetings. The details of the said meetings are at Annexure C.

The State Session of Rajasthan was held on 4th November, 2017 from 2:30 pm to 3:30 pm in Hall 2 & 3, Vigyan Bhawan wherein the participants of the session were briefed about Rajasthan and investment opportunities in Rajasthan by Hon’ble Industries Minister, Principal Secretary, MSME and Commissioner Industries.

During the Rajasthan State Session, 13 MoUs with different companies worth Rs. 540 cr. were signed by the Commissioner, Industries and Entrepreneurs detailed as below:

India offers golden opportunities for global investors, says Gadkari

FE BUREAU
New Delhi, November 4

INDIA OFFERS “GOLDEN OPPORTUNITIES” for global investors in sectors such as infrastructure, transport, agriculture and food processing, Union minister Nitin Gadkari said today.

Addressing the World Food India 2017 conference on the Opportunities in Infrastructure Technology & Equipment, Gadkari said, “There are golden opportunities for investors in food processing, agriculture, water transport, highways, shipping and other sectors.”

“We are bound to create a world-class infrastructure in coming years. Of the 52 logistics parks, 24 have already been identified on national corridors to be built at a cost of Rs 82,000 crore. These parks will cater to key production and consumption centres accounting for 45% of India’s road freight,” the minister said.

He said the work has already started at Chennai, Bangalore, Vijaywada, Hyderabad, Surat and Guwahati; for logistic parks that are designed to house cold storages and warehouses.

Besides, the government’s another major initiative Sagarmala for port-led economic development of the country will see reduction of about Rs 40,000 crore logistic cost in the country, he said. Sagarmala will see development of 14 coastal economic zones besides development of two mega food processing parks, he said.

Gadkari assures world-class infrastructure in the coming years, with the construction of logistic parks on national corridors

The minister stressed that development of logistic parks is essential as India witnesses wastage of fruits and vegetables worth Rs 1.5 lakh crore which accounts for about 35% of the produce due to lack of infrastructure. Fortunately, he said, only 10% of fruit and vegetables are processed in India whereas the participation is barely 3% in global processed food. The government aims at enhancing the processing of fruits and vegetables to 20% by 2015, he said.

He said construction of 44 economic corridors that include Mumbai-Kolhapur and Mumbai-Kanyakumari will result in quick delivery of produce to markets besides reduction in logistic costs and enhancement in farmers’ income.

Talking about highways, he said that Eastern Peripheral Expressway to connect Delhi will be made operational by next month while electronic tolling on highways will be done in 30 months. “India will result in seamless flow of traffic throughout the country and would contribute in reduction of logistic cost which is at 38% in India as compared to a mere 8 to 10% in China,” the minister said.

On irrigation front, he said, “As many as 323 new projects are being taken up by the government to help state governments in canal and other systems.”

Besides, he said, there is huge emphasis on major river connectivity projects and 86 such projects will be taken up at a cost of Rs 3.8 lakh crore. “Out of these 50 projects, three important projects totalling an investment of about Rs 1.5 lakh crore will be taken up in three months’ time,” the minister said.
