CIRCULAR

Sub: Endorsement of copies of allotment letters.

It has been considered appropriate that to explore the possibility for extending the loan to the allottees of industrial / institutional / commercial plots by the RIICO, the copies of allotment letters of industrial / institutional / commercial / Group Housing plots having project cost more than 1.00 crore should be endorsed to the General Manager (BP) and Addl. General Managing (Appraisal). While forwarding the copies of the allotment letter, the unit offices shall also provide the following details of each allotment:

- Address of Allottee
- Name of Promoter / Contact person
- Telephone Number / Mobile No.
- Project Cost
- Nature of project / industry and product.

This issues with the approval of the Managing Director.
