OFFICE ORDER (No. 3/2010)

**Sub: Relaxation in the technical rider related to minimum size of a subdivided plot, in case of residential plots undergoing subdivision.**

An agenda item on the subject matter was placed before the Infrastructure Development Committee of the Board of Directors (IDC) vide item (3) of its meeting held on 10.2.2010. The Committee has accorded approval for relaxing the condition in case of subdivision of the residential plots allotted to the khatedars, which otherwise restricts minimum area of the subdivided plot as 500 sqm. It was further decided that while approving subdivision of residential plots allotted to the entrepreneurs or otherwise (non-khatedars) also, minimum area requirement as mentioned above may be relaxed.

However, it was further decided that the norms adopted by JDA/relevant local bodies in respect to minimum size of residential plot be followed.
