**CIRCULAR**

One of the recommendations given by the ISO Consultant RITES is: "To incorporate the system of formal customer feedback to assess the customer's perception". To implement this recommendation, the RITES has suggested the introduction of "**Customer feedback form**" at all the points of customer interface.

A format for "Customer feedback form" has also been designed by RITES for RIICO, which is enclosed herewith. It is requested to all the Controlling Officers to kindly go through the same & suggest any modifications/additions/deletions, if any; to it. The same is to be returned back to the undersigned positively by 30<sup>th</sup> Nov. 2012, so that the finalized "Customer feedback form" can be introduced at the earliest, say from the 01<sup>st</sup> of December, 2012 onwards.
