In general all the components of tents shall confirm the IS 7609/1975 (latest amended).

2. GENERAL:-
The tents shall be complete in all details. No advantage shall be taken of any omission of details in any specifications.

3. MATERIALS:-
The materials and components used in the manufacture of tents shall confirm to the requirements given in Table-1 of IS 7609/1975 latest amended in respect of workmanship and finish.

4. SAMPLES:-
a) Full width samples of drill, dosuti, sheeting and canvas/duck cotton and tarpaulin be compulsorily submitted alongwith the offer, the length of samples be as per condition No. 5B and tested samples of some cloth be submitted alongwith the test report of Govt./Govt. approved test house.

b) The tested sample of minimum size of 15 cms x 15 cms. For all type of cloth (all colours) proposed to be used by the tender for the tents must accompany the tender. Alternative samples or alternative rates will not be considered and tenders with such conditions will be considered to the dubious and unacceptable.
5. **INSPECTION:-**

a) Samples drawn from tents shall be sent for testing to Govt./Govt. recognised testing house. The testing charges shall be borne by the supplier firm.

b) The testing quantity/length of samples to be drawn for testing will be 1 mtr. of full width cloth (all types).

**TYPE OF TENTS: -**

A. **KABUL PAUL TENTS:** Size 3.66 x 3.66 x 2.5 mtr.

a) Dimensions: Size 3.66 x 3.66 mtrs. (having height of 2.3 metres of inner fly) size of bathroom 3.66 x 1.5 x 1.5 mtr. height of walls: 1.25 meters, Height of varandah : 1.75 mtr.

b) Constructions: - The inner fly shall be complete over lapping partition having lashing arrangement at both side. Corners of the wall area open can be lashed up side walls are fitted with pockets and rope hangers etc. The inner fly, walls and pardhas shall be made of three folds of cloth viz. White bleached drill on the outer side, blue sheeting in middle and yellow printed sheeting on the inner side.

The outer fly fitted with closed bath room at back and open varandah at front both semi circular in shape. Outer fly, bath room and varandah shall be made of three folds of cloth viz. Outer fold water repellant duck cotton V/N 4/5 IS 1422/1983 latest amended blue sheeting in the middle and yellow sheeting on the inner side. Each fly (outer and inner fly) shall be strengthened with 50mm niwar and 25mm cotton rope piping which will be formed by a separate 50mm niwar. Tent shall be packed in gunny bags. (Drawing No. DGS & 5663/16.TEX/T-42/(4)

c) **Accessories:**

1. Ground Sheet: Tarpauline (Duck) 3.66mm x 3.66mm for main room made of water proof canvas of Olive green colour. All sides shall be properly stitched. The Tarpauline shall be as per IS specification 1422, variety No.1 and 2089-1977 duly amended till date.

2. Bamboo ridge pole 70 mm dia approx. Of std. Height 2 Nos.

4. Wooden pegs

5. Iron pins 20 Nos.

6. Mallet 1 No.

B. **Double fly tent**:- Size 4.5 x 4.5 x 2.5 mtr.

a) Dimensions: Size 4.5 x 4.5 x 2.5 mtr.. Height of wall 0.90 mtr. The tent should be double plied.

b) Construction: Inner fly shall be made of three folds of cloth viz. White bleached drill on the outer side, blue sheeting in middle and yellow printed sheeting on the inner side. It shall be complete with over lapping pardah having lashing arrangement at each end and continuous wall of 0.90 mtrs. with the inner fly.

The outer fly is made of two folds of cloth viz. Water repellant duck cotton V/No. 4/5 IS 1422 (latest amended) on the upper side and yellow sheeting in inner side.

The fly shall be strengthened with 5mm niwar and 10mm rope. Tent shall be packed in gunny bags.

c) **Accessories:**

1) Bamboo standing pole : 70mm dia approx. of std. Height
   - 3 Nos.
2) Bamboo ridge pole 70 mm dia approx. of std. Height
   - 2 Nos.
3) Wooden pegs
   - 25 Nos.
4) Iron pins
   - 30 Nos.
5) Wooden Mallet
   - 1 No.

C. **TENTS DOUBLE FLY SIZE 4.3 X 4.3 X 2.5 MTR.**

1. Dimension:
   Size 4.3 x 4.3 x 2.5mtr. Height of wall of 0.9 mtr. The tent should be double plied.

2. Construction:
   These shall be provided with the inner fly having over lapping pardahs at each and the walls and of size 4.3 x 4.3 x 2.5mtr. The wall height from the ground level shall be 0.9 mtr. The inner fly shall be made of three folds of cloth having khankhi drill/bleached drill on outer in the middle blue sheeting and yellow printed sheeting on the inner side. Outer fly shall be made of two folds of water repellant duck cotton V/N 4/5 IS 1422/1983 latest amended and yellow cotton sheeting in inner side. The plies shall be strengthened with niwar and rope of adequate size.

Should be seasoned, sound in size (having dia not less than 60mm at any place) and length of injecting greased oil and coated. Ball shaped stitched knot on each standing pole for resting inner fly to the ball to be provided.

All the guy and tie ropes shall be 15m dia cotton rope piping and as pr quantity of big pegs.

ACCESSORIES TO BE PROVIDED WITH EACH DOUBLE FLY CHHOLDARIES:

1) Two kgs. Iron hammer complete with handle 1 No.
2) Iron pegs (small) 12mm dia, 225mm, long 16 Nos.
3) Iron pegs (big) 25mm dia, 600mm long 22 No.
4) Required quantity of standing poles (having dia not less than 60mm at any place) of standard height.
   3 Nos.
5) Required quantity of Ridge poles (having dia not less than 60mm at any place) of standard length with socket
   2 Nos.
6) Shouldaries/Tents and its accessories should be packed separately in gunny bags.
PART II

SHOULDRARIES DOUBLE FLY: i) 3.0 M X 3.0 M
   ii) 2.44 M X 2.44M

This specification No. B/Tex/T.58 is issued under the fixed No. B/Tex/T 58 by DGS & D. Each revision is indicated by a letter added after the specification number. This letter is advanced alphabetically at each revision.

Note: The DGS & D specification referred to in this specification means the edition current at the time of tendering or specified in the contract.

GENERAL:

1. The quality of material used in the manufacture of or supplied with the tent, the method of manufacture of components, the workmanship and marking etc. Shall be in accordance with the DGS & D specification. No. B/Tex/T/1 Read with DGS & D No.18783 and shall be binding on the contractor. Reading dimensions are shown in the schedule.

Detailed description
The tent shall be double flied. It shall consist of an outer fly with hoods and an inner fly provided with overlapping purdahs at each end and wall in continuation of the fly.

The outer fly shall be composed of 2 folds of cloth in the following order:

Water repellant
Duck cotton on the exterior (V.No.4/5 of IS No.1422-1983)
Blue sheeting inside.

It will have hoods at each end. The size of hoods will be 0.76M x 1M for sizes 3.0M x 3.0M and above and 0.6M x 0.9M for smaller sizes. The edges of the hoods shall be strengthened with 51mm niwar, placed between folds of cloths. It shall be broader by 0.6M at the bottom edge than the inner fly. It shall be 0.45M above the ground level. It shall be provided with guy ropes. The guy ropes at the ends will pass through the point of each hoods one and spliced round the cap and the other and passing through the point of each hoods and placed between two pieces of 51mm niwar. A small circular tab will be fixed at the point of each hood. The inner fly shall be composed of three folds of clothes in the following order.
Bleached drill on the exterior
Sulphur dyed blue sheeting in the middle.
Sulphur dyed yellow sheeting (printed inside).

1. Both the flies shall be strengthened with 51mm niwar and 19mm cotton rope piping. The rope piping shall be enclosed by an extra niwar 51mm. For construction see clause 21 of DGS & D specen.. No.B/Tex/T/1
2. a) Ridge of outer fly: A strip of 76mm niwar with a length of 25mm cotton rope laid above it shall be inserted between the drill and blue sheeting connecting two ridge caps. The side edges of the niwar shall be stitched to the two folds of cloth and the niwar and rope shall be well within the ridge cap and secured by quilting. The rope shall form a loop round the cap and secured tightly.

b) Ridge of inner fly: The ridge of the inner fly shall be formed by inserting a strip 10cm. niwar between the folds of sheeting, with 25mm cotton rope so laid on the under side of
the ridge and over the middle tape between the caps that the cloth of the fly and centre strip of niwar shall be doubled over the rope and sewn together with 3mm line cotton to form a biddin. Loops made of 2 folds of 51mm niwar shall be stitched to the ridge for suspending it from the ridge pole. The rope shall form a loop round the cap and secured tightly.

3. Walls of inner fly: The walls shall be in continuation of the fly. Galvanised dees shall be provided at the bottom of walls & purdahs on each strengthening niwar. All corners should be kept open and provided with eyelets and lading loops to close or open as required. Also see clause 25 of DGS & D spec. No. B/Tex/T/1 for construction.

5. a) Fittings: A 51mm niwar shall be sewn over the folds of cloth at the bottom edges of walls & purdahs of the inner fly so that the sheetings do not make direct contact with the ground when pitched.

b) The inner fly – should be provided with 2 ventilators 45 cm x 30 cm with square mesh mosquito netting and two vertical and one horizontal niwar 30mm machine stitched on the netting. The ventilators should be positioned on either side of the central strengthening tape at equal distance.

List of accessories required with the tent.

Jute canvas of 675 gms quality bag for the flies: One
Gunny bag for wooden pins
Wooden pegs
Bamboo poles socketed standing & ridge greased oil treated.

SECTION III

SPECIFICATION FOR DOUBLE FLY TENTS (16' x 16') 4.88 x 4.88 mtr.

SPECIFICATION AND SIZE: The tents shall be double fly type provided with over lapping purdahs attached to the fly at both the ends and hoods in it. It shall be composed of two folds of cloth for the outer fly and three folds of cloths for the inner fly through out the tent and arranged in the following manner:

1. OUTER FLY: Bleached drill on the exterior and yellow sheeting inside conforming B/Tex/T/1 IS/177-1970 (latest amended) and IS/180/1965 (latest amended respectively).

2. INNER FLY: Bleached drill on the exterior, blue sheeting next and yellow sheeting inside conforming B/Tex/T/1 IS/177-1977 and IS 180 1965(latest amended) respectively.

3. Fly: Each fly shall be strengthened with 51cm niwar and 19mm rope piping. This outer fly shall extend well down and be 31mm above the ground. Cloth pockets and 25mm rope of bulk yellow cloth shall be provided at the two sides of inner fly constructed in accordance with B/Tex/T DG specification latest amended.

4. RIDGE AND PURDAH (FLAGS): As per details of B/Tex/T/1.

5. Walls: The wall shall be 91 cm height: Brass does shall be provided along the bottom edge. One side edge of 76mm niwar shall be stitched all round at the bottom edge of the wall, the niwar hanging loosely to be ground in accordance with clause 25 of B/Tex/T/1.

6. WEATHERHOOD: The outer fly shall be provided with a weather hood at each and 61 cm deep 61cm wide and strengthened along the edge and down the centre, inside, niwar by three inserted strips 51cm cotton. A 15cm loop of 25mm cotton line shall be attached through top at the point of each head. A tension rope shall be attached to this loop.

7. ACCESSORIES:- The following accessories shall be supplied with each in without any extra cost.
   a) Gunny bag for the tent
   b) Bamboo fly poles
   c) Bamboo ridges pole
   d) Iron pegs
   e) Iron hammer
   f) Wooden rings 15 cm deep 51 mm dia, for placing on the space of the standing poles occupying the intervening space between two files.

8. SIZES: The double fly tents shall have the following basic dimensions confirming the requirements of DGS & D specifications No. G Tex/T/1G and relevant IS latest amended
   i) Size of tent: 4.88 x 4.88 m
   ii) Height of inner fly: 2.44 M
   iii) Height of outer fly: 2.74M
   iv) Height of wall: 0.914M
GENERAL TERMS AND CONDITIONS OF TENDER AND CONTRACT :-

NOTE: Tenderers should read these conditions carefully and comply strictly while submitting their tenders. If a Tenderer has any doubts regarding the interpretation of any of the conditions or specifications mentioned in the Tender Notice he should, before submitting the tender, refer these to the Managing Director of the Corporation and obtain clarification. The decision of the Managing Director regarding the interpretation of the conditions and specifications shall be final and binding on the Tenderer. The following terms and conditions shall be applicable on the approved Contractor/Tenderer.

1. The parties to the contract, which shall be deemed to be a “rate contract” and which is intended for the supply of the stores of the description set forth in the schedule to the tender during the period therein specified, shall be the contractor of the one part and The Rajasthan Small Industries Corporation Ltd. on the other part.

2) i) Subject, as otherwise mentioned, no guarantee can be given as to the quantity which would be ordered during the period of the contract.

ii) The Tenderer should sign the tender form at each and every page as a token of his acceptance of all the terms and conditions of the tender. He should also sign at the bottom of each of the pages of the tender form on which rates are quoted.

3) i) The supplies shall have to be arranged according to requirements throughout the contract period as and when required and orders are placed.

ii) If orders are placed in excess of the quantities shown in Appendix-C of the tender document, the successful Tenderer shall be bound to meet the required supply provided the excess order is up to 25% of the quantity notified in the tender on the same rates and conditions. In case of his failure to do so, the Corporation shall be free to arrange for the balance supply at the risk and cost of the Tenderer and the extra cost incurred shall be recoverable from the defaulting Tenderer.

iii) If the Corporation does not purchase any of the tendered items or purchase less than the quantity indicated in the tender form, if any Tenderer shall not be entitled to claim any compensation.

4) Only such Tenderers who are manufacturers of items quoted in the Tender Form and permanently registered as such with Industries Department, Govt. of Rajasthan shall be eligible to participate in this tender.

5) i) A manufacturer who is not registered under the Rajasthan Sales Tax Act prevalent will not be eligible.

ii) Latest Sales Tax Clearance Certificate issued by the competent authority must be submitted without which the tender is liable to rejection.

6) Tenderers will have to submit a latest Income Tax Clearance Certificate as and when demanded.

7) Tender forms should be filled in ink or typed. Tender filled in pencil shall be rejected.

SIGNATURE OF TENDERER

33
8) i) Rates must be written both in words & figures. There should be no erasures, overwriting. Corrections, if any, should be made clearly and initialed with date.

ii) Rates quoted must be separately written as per the requirements of the Tender Form and should include all taxes, duties except Rajasthan Sales Tax.

9) **Fall Clause:-** The price charged for the stores supplied under the contract by the successful Tenderer shall in no event exceed the lowest price at which the successful Tenderer sells the stores of identical description to any other person during the period of the contract.

If at any time, during the said period the contractor reduces the sale price of such stores or sells such stores to any other person at a price lower than the price chargeable under the contract he shall forthwith notify such reduction of sales to the Managing Director, and the price payable under the contract for the stores supplied after the date of coming into force of such reduction of sale shall stand correspondingly reduced. The successful Tenderer shall furnish certificate in the manner required by the Managing Director to the effect that the provision of this clause has been duly complied with respect of supplies made or billed for upto the date of certificate. The successful Tenderer(s) shall endorse a certificate on each bill to the effect that the price condition referred to above has been satisfied.

10) i) Tenders shall be valid for a period of four months from the date of opening of the tender for the purposes of communicating acceptance by the Corporation.

ii) After tender has been accepted the rates shall remain valid for the period upto 31.3.2014. Any order placed on the last date of the Contract period by means of FAX, Telegram or Registered A.D. shall have to be honored by the approved Contractor within the specified time for which no late penalty shall be levied if the goods are supplied within the specific time mentioned in the order satisfactory.

iii) Notwithstanding the provisions of condition No.10 (ii) the validity of the rates may be extended upto six months by agreement between the Corporation and the Tenderer.

iv) In the event of any breach of the conditions of the contract at any time on the part of the Contractor, the contract may be terminated summarily by the Corporation without compensation to the Contractor.

11) i) Successful Tenderer will have to execute an agreement in the prescribed form within the specified time period given by the Corporation.

ii) The expenses of completing and executing the agreement shall be paid by the Tenderer. The original copy of the agreement so executed shall be kept with the Corporation.

iii) If the Tenderer fails to execute the agreement within the period specified, such a failure will be treated as breach of the terms and conditions of the tender and under such circumstances the EMD of the Tenderer shall stand forfeited.

12) i) The Tenderer shall adequately and properly pack goods and shall be responsible for loss and damages or injury to the goods during the transport till arrival at the destination.
ii) All packing cases, containers and other allied material shall be supplied without any extra charges except where otherwise specified by the Tenderer and the same shall not be returned to him.

iii) All goods must be sent as per instructions of the Corporation to the respective consignee.

iv) a) Unless otherwise agreed between the parties payment for the delivery of the stores will be made on submission of bills duly accompanied with receipted copy of the despatch intimation and acceptance letter in proper form having date of receipt of material by the department by the contractor to the Corporation. No payment shall be made against incomplete bills and without date on acceptance letter.

b) The payment against supply is subject to receipt of payment from consignee/purchasing department.

c) All remittance charges will be borne by the Tenderer.

d) No payment shall be made to the Contractor if he has not duly executed the Agreement.

13) **INSPECTION:**

a) The approved Tenderer shall offer the stores for inspection at the works prior to dispatch under intimation to the Corporation.

b) The Inspection of offered stores shall be arranged by the RSIC at the works of approved tenderer either by the authorised Inspection Agency/Authorised Representative(s) or a Committee as may be constituted by the RSIC. No supply should be made without inspection if MSME where applicable.

c) The Inspection charges shall be deposited by the Tenderer(s) with the approved inspection agency.

d) The unit shall disclose the testing facilities available at his works as per relevant IS and mention the same in the tender.

14) **SUPPLY PERIOD:-**

i) In case of placement of huge supply orders, 30 days time shall be given to the tenderer or as determined by RSIC in supply order to arrange for the supplies after placement of firm order of supply.

ii) The suppliers has to submit readiness of goods within 30 days from the supply order and has to supply the goods within 7-10 days from the date of DI. Time period for completion of supplies shall be the essence of the Contract. The Corporation may in special circumstances extend the supply period after imposition of liquidated damages as given below:-

a) Delay upto one-fourth period of the prescribed delivery period - 2 1/2%

b) Delay exceeding one-fourth but not exceeding half of the prescribed delivery period - 5%

c) Delay exceeding half but not exceeding three fourth of the prescribed delivery period - 7 1/2%

d) Delay exceeding three fourth but not exceeding the period equal to the prescribed delivery period - 10%

**Note:-**

SIGNATURE OF TENDERER

35
Note:

i) Fraction of a day in reckoning the period of delay in supplies shall be eliminated if it is less than half a day.

ii) The maximum amount of agreed liquidated damages shall be 10%.

iii) In exceptional hardship cases, the Managing Director of the Corporation shall have the powers to waive the damages/late penalty as stated above.

iv) The time taken by the Corporation/its authorised agency/Consignee in inspecting the stock and taking its delivery shall be excluded for the purposes of calculation of late penalty/damages.

v) The provision made in Clause 14 (iii) shall be without any prejudice to the rights of the Corporation to resort to risk purchase.

15) When the Tenderer is unable to complete the supply within the specified or extended period, the Corporation shall be entitled to purchase the required stores without prior notice to the Tenderer, but at his (i.e. Tenderer’s) risk and cost the goods or any part thereof which the Tenderer has failed to supply, or if not available, the best and nearest available substitute thereof, or to cancel the contract, and the Tenderer shall be liable for any loss or damage which the Corporation may sustain by reason of such failure on the part of the Tenderer. But the Tenderer shall not be entitled to any gain or such purchase made against default. The recovery of such loss or damage shall be made from any sums occurring to the Tenderer under this or any other contract with the Corporation. If recovery is not possible from the bill and the Tenderer fails to pay the loss or damage within one month, the recovery shall be made first from the bill of other item supplied and thereafter under the provisions of relevant law for the time being in force.

16) All articles supplied shall strictly conform to the specifications laid down in the enclosed statement of technical specifications of the tender form, and wherever articles have been required according to IS specifications these articles should confirm IS specifications and should preferably bear ISI certification mark. The supply shall in addition conform to the approved samples if any. For ISI items, Copy of the BIS License is to be submitted compulsorily.

17) i) Articles not approved shall be rejected by the Corporation and will have to be replaced by the Tenderer at his own cost, within the time limit fixed by the Corporation. No penalty shall be levied if the rejected goods are replaced within the time specified by the Corporation. The benefit of non-levy of penalty under such circumstances shall not be given to a Contractor who intentionally supplies goods of different specification.

ii) If, however, due to exigencies of Govt. work, such replacement, either in whole or in part, is not considered feasible, the Corporation after giving an opportunity to the Tenderer of being heard shall for reasons to be recorded, deduct a suitable amount from the Bill. The deduction so made by the Managing Director of the Corporation shall be final.
18) the rejected articles must be removed by the Tenderer within
15 days of the date of intimation of rejection, after which the
consignee/Corporation shall not be responsible for any loss, shortage or damage
and shall have the right to dispose of such articles as he/she thinks fit at the
tenderer's risk and on his account.

19) The contract for the supply can be repudiated at any time by the Corporation if the
supplies are not made to his satisfaction after giving an opportunity to the
Tenderer of being heard.

20) If a Tenderer imposes conditions, which are in addition to or in conflict with the
conditions mentioned herein, his tender is liable to summarily rejection.

21) In case of any dispute arising out of this contract or a matter touching or incidental to the Contract including interpretation of the terms of the Contract or for award of damages etc. the same shall be resolved by means of arbitration only. The Managing Director of the Corporation or his duly nominated person shall act as sole arbitrator to resolve such dispute. The provisions of Arbitration and Conciliation Act, 1996 or an amendment thereof shall be applicable to such an arbitration proceeding. The award passed by the sole arbitrator shall be final and binding on both the parties. The Tenderer shall have no right whatsoever to challenge the award on the ground that the Managing Director has got an interest in the activities of the Corporation as a Managing Director.

22) The Contractor shall not assign sub-let or transfer the contract or any part thereof to any party. In the event of the Tender contravening this condition, the Corporation shall be entitled to purchase the goods from elsewhere on the Contractors account at his risk and the Contractor shall be liable for any loss or damage which the Corporation may sustain.

23) If the Tenderer is already a supplier in respect of stores and articles, he should submit with the tender a complete statement in the prescribed Performa (Appendix-B) to clearly indicate his progressive performance of last two years in respect of each order concluded.

24) The Tenderer/Contractor shall intimate the premises where the stores and articles to be supplied are manufactured/formulated/ fabricated to the Corporation and Inspecting Officers of the consignees or any other appropriate agency as may be appointed by the Corporation. The firms shall also provide all the necessary facilities to the Inspecting Officers to carry out the inspection work.

25) The Tenderer will compulsorily deposit Rs.10,000/- by D.D in favor of The Rajasthan Small Industries Corporation Ltd., Jaipur as Earnest Money. In the absence of Earnest Money, the tender shall not be considered by the Corporation. Successful Tenderers shall be required to pay security deposit lumpsum Rs 20,000/- before executing the contract. The amount of EM shall be adjusted in the security deposit amount.
26) **FOREFEITURE OF EARNEST MONEY:-**  
The earnest money will be forfeited in the following cases:-

(i) When tenderer withdraws or modifies or reduces the rates in the offer at his own after the opening of tender, but before acceptance of tender. Their offer shall be cancelled and the firm can be debarred for future business.

(ii) When tenderer does not execute the agreement after award of rate contract within the prescribed time.

(iii) When the tenderer does not deposit the security money after the supply order is given.

(iv) When tenderer fails to commence the supply of the item(s) as per supply order within the time prescribed.

(v) When the rates of tenderers are lowest and approved by the Price Fixation Committee and tenderers not executed the agreement within 15 days from the date of letter to execute the agreement.

27) **FOREFEITURE OF SECURITY DEPOSIT:-**  
Security amount in full or part may be forfeited in the following cases: -

1) When any terms and conditions of the contract is breached.

2) When the tenderer fails to make complete supply satisfactorily.

3) Notice of reasonable time will be given in case of forfeiture of security deposit. The decision of the Managing Director, RSIC in this regard shall be final.

28) **DEBARRING / SUSPENSION:**  
If a tenderer does not execute the agreement and fulfill other formalities or does not supply the material against supply order the tenderer is liable to be debarred / suspend from participating in re-tender and in future tenders.

29) The SSI unit(s) shall not be eligible for tender participation incase they are blacklisted and or debarred by Corporation/ user Govt. Department. The Tenderer will give declaration in this regard in Appendix ‘A’.

30) Direct or indirect canvassing on the part of the Tenderer or his representatives will be a disqualification.

31) The Corporation reserves the right to accept any tender not necessarily the lowest, reject any/all tender without assigning any reason.

32) Legal proceedings, if any, arising out of this tender shall have to be lodged in courts situated at Jaipur City only in Rajasthan and not elsewhere.

33) We have carefully read and understood the above terms and conditions of the tender.
