CIRCULAR

Reg. : Clarification about Standard Health Category of loan account under Good Borrowers Schemes.

Attention is invited towards one of eligibility criteria for availing loan under Good Borrowers Schemes. As per provisions the loan account of the applicant should have been classified as Standard loan account in last three preceding years.

Some references have been received from the Branch offices for clarification about the date on which account should have been standard. The matter was discussed in the PC&CC meeting held on 09.01.2012 and it has been decided that the category of loan account i.e. "Standard" may be considered at the end of financial year. However, the repayment behaviour during the period should have been remained satisfactory. In adverse situations the case need to be examined on the merit and decided accordingly.

Other eligibility criteria of Good Borrowers Schemes shall remain unchanged.

All concerned are advised to take a note of above.
