(LA No. 611)

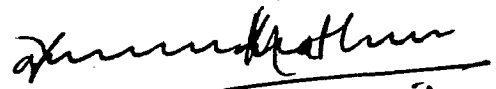

Reg : **Revision in the interest rate structure of the Corporation.**

Attention is invited to the interest rate structure of the Corporation which was circulated vide PG Circular No. 1395 dated 09.09.2011.

The interest rate structure for various loan schemes has been reviewed looking to the rising trend in interest rates and it has been decided to revise the interest rate structure as per Annexure "A". The system of charging differential rate of interest on the basis of Credit Rating has been kept in abeyance.

The revised rates shall be applicable to the loan cases to be sanctioned on or after issuance of circular and the loan cases sanctioned earlier but the execution of the loan documents (including token disbursement) of the same is to be done on or after issuance of circular as per the existing policy.

All concerned are advised to take note of the above and ensure compliance immediately.
