Reg: **Revision in the interest rate structure of the Corporation.**

Attention is invited to PG circular No.1473 dated 01.01.2015 and PG circular No.1478 dated 27.03.2015 vide which interest rate structures of the Corporation were circulated.

References were received from Field Offices to review the rate of interest of the Corporation as the rate of interest of other financial institutions/banks is lower, therefore, the matter was placed before the Board of Directors in its meeting held on 24.09.2015 in which it was decided to rationalize the rate of interest of the Corporation in order to be competitive in the present market scenario and accordingly the Board has decided to revise the interest rate structure as per Annexure "A".

The revised rates shall be applicable to the loan cases to be sanctioned on or after issuance of circular and on the loan cases sanctioned earlier, but the loan documents are to be executed after issuance of the circular.

All concerned are advised to take note of the above and ensure compliance immediately.

All concerned are advised to take a note of above and act accordingly.
