Sub: Registration for new iron & steel consuming units
for the year 2009-10

Dear Sir,

With reference to this office letter No. RSIC: 2008-09: 20154-194 dated 4/3/2009 and as per directions the date of registration for new iron & steel consuming units for the year 2009-10 has been extended from 2/4/2009 to 30/4/2009. The units desiring to get registered with the Corporation for the year 2009-10 may apply in the prescribed registration form through respective DICs with the prescribed certificate.

In this connection you are also requested to please intimate about this to all the iron & steel consuming units, Associations and Information Centres of your district. Units may also visit Corporation website in this regard. Prescribed registration form of registration has already been sent vide the letter referred above. Copies of forms may please be made available to the applicant SSIs and these will be submitted through the concerned DICs with the prescribed certificate.

Thanking you,

Yours faithfully,
