Managing Director

In view of tender for ICD Jodhpur, Clarification would like to submit as follows:-

Sr. No.	Page No./Clause No.	Tender Reference Details	Queries and Suggestion	Clarifications
1	30/4.7.2	Remuneration and Payments The minimum guarantee Revenue of RSIC is charted Below time framed of contract in months & MGR per in Rs. in lakh 0 - 12 months 12.50 Lakh per month 13- 24 months 13.75 Lakh per month 25 -36 months 15.12 Lakh per month 37 – 48 months 16.64 Lakh per month Note: 1. After 48 months MGR will increase @ 15% per annum compoundable on previous year's closing MGR.	A high amount of MGR starting level should not more than 12,00,000/- Addition of 10% every year is too high where the market has not increased in the same size it needs to be reduced to 5-6 percentage	In issuing year current contract MGR is 12.20 lakh per month. It has been kept a minimum of 12.50 Lakh per month In this matter after assessing market increase and other factors 8% increase was found justified. The minimum guarantee Revenue of RSIC is therefore revised as increased. 0 - 12 months 12.50 Lakh per month 13- 24 months 13.50 Lakh per month 25 -36 months 14.60 Lakh per month 37 – 48 months 15.75 Lakh per month
2	24/ 3.11.2	The Contractor shall have to perform all the Services provided for in this Contract and also additional Services not specifically provided for in this Contract. In the case of non-settlement of rates in respect of additional Services by the Corporation and the Contractor, the rates shall be determined by the Managing Director of RSIC.	After 4 year increase of 15 percent is totally not working it should be mutually agreed level or lower Freehand in marketing and prompt acceptance of contractor recommendation for volume customer which ICD is not getting, time-bound permission at the local level (ICD) would be beneficial to Rajsico.	After 48 months MGR will be increased as 10% on previous year's closing MGR. To promote the business of ICD and sustain in market conditions H&T contractor may be allowed to give special package (Market Tool) in the published tariff. This special package will be borne by the H&T contractor from his remuneration. H&T contractor will give request to ICD Manager so he will Invoice to shipper accordingly. This will be subjected to following condition. (a) Calculation for RSIC share will be done on publishing tariff. (b) RSIC is not to be held responsible for any promotion done by the Contractor, (C) Contractor will be responsible for any market promotion accordingly.
3	30/4.7.4	The bills shall be prepared on a weekly basis by the contractor and should be submitted along with supporting documents. Bill shall be settled for payment within 15 days in the ordinary course.	Payment cycle needs to be time bound as services are directly related to funds Rotation payment be released automatically once bills are submitted.	Bill shall be settled for payment within 15 days in the ordinary course.

Sr. No.	Page No./Clause No.	Tender Reference Details	Queries and Suggestion	Clarifications
4	30/4.7.4		In tender scope should specify the type of contract for tax liability for GST & TDS	For export, services will be jointly provided by Rajsico and H&T contractor.
5	30/4.7.4		The infrastructure required for present guidelines of custom must	In present Rajsico is already doing this work
6	30/4.7.4		As per requirement of shipping lines accounts and working of ICD to be on Digital basis.	This is to be implemented jointly.
	30/4.7.2		In case custom cost recovery is exempted by the customs department proportionately benefit in MGR should be given to contractor 50-50 basis as exemption requires mutual working for volumes and presently this burden lies on contractor only as MGR	In case, within the contract period, custom cost recovery of ICD Jodhpur is exempted by the customs department existing MGR system will be stopped but the contractor should maintain minimum 400 TEU per month. In case he fails to maintain minimum 400TEU per month, than prescribed MGR will be applicable.
